# HAVE PRETTY HAIR

Thick, Soft, Fluffy, and no Dandruff—Use Parisian Sage.

If your hair is losing its natural color, coming out and splitting, or lacks that enviable softness, gloss and beauty, do not despair—pretty hair is largely a matter of care. If it is too thin make it grow. If it is harsh and brittle soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes under the scalp.

Parisian Sage, sold by Noyes' Drug Store and at all drug counters, is just what you need—a large bottle costs but 50 cents. It surely makes the hair lustrous and seem twice as abundant. You cannot be disappointed in Parisian Sage. 10-11

# A REAL NERVE AND BODY-BUILDING MEDICINE

We believe Rexall Olive Oil Emulsion is the best remedy made for toning the nerves, enriching the blood, building up wasted tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired, out of nervous and debilitated, no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you feel better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and, through the blood, into the rest of the system. Pure Olive Oil and the Hypophosphites have long been endorsed by successful physicians, but here, for the first time, they are combined into one preparation which, as a nerve-food and a builder of strength and health, we believe, has no equal.

If you don't feel well, begin taking Rexall Olive Oil Emulsion today, and build your health and strengthen your system against more serious illness. To convalescents, old people, puny children and all others who are weak, run-down or ailing, we offer Rexall Olive Oil Emulsion with our personal promise that, if it doesn't make you well and strong again, it will cost you nothing.

If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it you will recommend it to your friends, and thank us for having recommended it to you.

Sold only at the more than 7,000 Rexall Stores, and in this town only by us.

Advice To Kidney Sufferers.

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kimmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it.

Sincerely yours, C. E. USSERY, Bowersville, Ga.

Personally appeared before me, this 8th of September, 1909, C. E. USSERY, who subscribed the above statement and made oath that the same is true in substance and in fact. T. H. McLeone, Notary Public.

Letter to Dr. Kimball & Co., Binghamton, N. Y.

Prove What Swamp-Root Will do for You. Send ten cents to Dr. Kimball & Co., Binghamton, N. Y., for a sample size bottle. If it cures you, we will also send you a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Norway Weekly Oxford County Advertiser. Regular fifty-cent and one-dollar size bottle for sale at all drug stores. 10-13

**Aged People**

sometimes forget that poor teeth and improper mastication prevent sufficient nourishment from ordinary food and burden the digestive organs, but if every man or woman past fifty would fully realize the bountiful, sustaining nourishment in Scott's Emulsion they would take it after every meal.

Scott's Emulsion contains the renowned body-building fats of pure cod liver oil, so medically predigested that it distributes energy, power and strength all thru the body and simplifies the stomach's work.

To people in declining years we say with unmistakable earnestness—**Scott's Emulsion** will add years to your life and life to your years.

There's no question as to which you would choose to eat. And there's just as much difference between fresh tobacco in the Sickle Plug and dried-up particles of sliced or granulated tobacco.

Public Meeting of Suncook Grange.

At the public meeting of Suncook

Grange, No. 140, Feb. 6 The meeting

was called to order by W. M. Chas. Stan-

ford, who introduced Rev. M. O. Baltzer,

who spoke words of welcome to the com-

pany in behalf of the Grange. B. Wal-

ter McKean of Fryburg was then pre-

sented, who replied very ably and

gave a short talk in his pleasant man-

ner. Brother Stanford introduced Pay-

son Smith, State Superintendent of

schools, who held the undivided atten-

tion of the audience. His talk was es-

pecially interesting to those who have

the responsibility of rearing and train-

ing a family of children and as in this town

the school question is a problem on ac-

count of scattering scholars necessitat-

ing an expenditure of as much money for

conveyance as for teachers.

The subject was a vital one and Mr.

Smith showed a thorough knowledge of

all phases of school life, indeed he was

so interesting, answered all questions

asked, pleasantly, it was much regretted

when he had to leave a quarter of four.

It is hoped that he may visit Lovell

again some day.

The School Question.

The rural school is a proposition and

one that cannot be handled to the sat-

isfaction of everyone and those concerned

in handling the affairs more than

their share of criticism sometimes for no

two people ever see just alike and every

one has a right to their own opinion.

One must take the course they think

right themselves.

It was hoped that an article might be

inserted in the weekly paper for the meet-

ing to provide for the moving of the Shave

Hill school house to No. 4 and establish-

ing a school there as there would be 16

scholars in the jurisdiction drawing

money in 1914 and probably 12 who would

attend school, there are not many more

too. It does seem hard to start the chil-

dren to ride 3 1/2 miles to school at 7:30 or

quarter of eight in the morning and not

getting home until 5 o'clock at night

when there is an hour's nooning. It seems

about all the daylight there is in winter.

Then in most cases the teacher goes

home to dinner leaving the children to

reign triumphant, and the neighborhood

would be willing to help in moving the

schoolhouse to save what expense they

could. Of course if there were not enough

scholars for a school there would be no

other way, but when a teacher can be

hired as cheap as a conveyance it seems

uncalled for.

They claim they are working for the

interest of the town and for the parents

they think so, so we must be content. It

would reduce the Center school but I

believe two smaller schools would bring

better results than one large one where

there are so many classes that one teach-

er cannot do them fully convinced that

if I could become a teacher I see I

surely would not ask it for I am as in-

terested in the prosperity of the schools

as any person in town and have my share

of school to send my son, but as I see I

cannot think what I have asked for is rea-

sonable but of course I admit I may be

wrong and am waiting to be convinced if

I am.

If there was a chance for a graded

school or something better soon I could

not be patient. Surely something must

be done before many years.

A LAWYER received \$10,000 for suggesting those words to a railroad. That sign, "Stop, Look, Listen!" saved the road many thousands of dollars in damages. It's a good sign. It's worth \$10,000. Wise people are often warned by a similar sign on the road of extravagance. They stop in time. How about yourself? Think this over seriously.

## Faulty Digestion

Quickly Shatters the Nervous System—Immediate Action Necessary—Use Mi-o-na.

When you feel irritable, tired and dependent; when you have nervous twitches, specks before the eyes, headaches, sour stomach, heartburn, bad tastes in the mouth and pains in the colon and bowels—you are suffering from dyspepsia, which invariably wrecks the nervous system—you need Mi-o-na at once.

Mi-o-na goes to the seat of your trouble and quickly ends stomach misery. It surely and safely builds up and strengthens the stomach walls and glands, quickly improves the digestive system—the vital force and nerve energy are restored, then you enjoy perfect health.

Do not suffer another day. Get a fifty cent box of Mi-o-na Tablets from Noyes Drug Store. This treatment will help you get well, and immediate relief is sure.

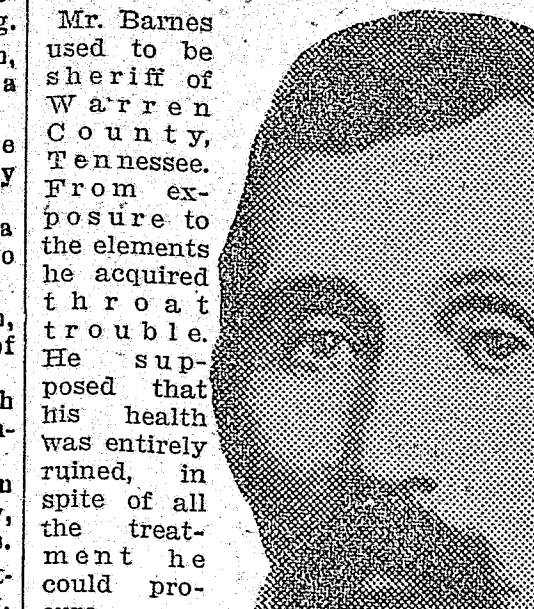

## WE HAVE FAITH IN THIS STOMACH REMEDY

A woman customer said to us the other day, "boy, you ought to tell everyone in town about Reckall Dyspepsia Tablets. I would myself if I could." That set us to thinking. So many people have used them and have so enthusiastically sounded their praises both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.

They contain Bismuth and pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood, and give the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good. If Reckall Dyspepsia Tablets do not relieve your indigestion, check the heartburn, and make it possible for you to eat what you like without any risk, come back and get your money back.

Sold only at the more than 7,000 Reckall Stores, and in this town only at our store. Three sizes, 25c, 50c, and \$1.00. —R. P. Stone, 143 Main St., Norway, Me.

## Suffered with Throat Trouble.

MR. B. W. D. BARNES, McMinnville, Tenn.

Mr. Barnes used to be sheriff of Warren County, Tennessee. From exposure to the elements he acquired throat trouble. He supposed that his health was entirely ruined, in spite of all the treatment he could procure.

After using four bottles of Peruna he claims that he was entirely restored to health.

Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease germs have easy access to the system.

Keep the throat well and clean. This is the way to protect yourself against contagious diseases. Gargle the throat as explained in the new "Tills of Life," sent free by the Peruna Co., Columbus, Ohio.

Mr. Barnes says: "I had throat trouble and had three doctors treating me. All failed to do me any good, and pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely cured."
